Preliminary Out-of-Field Teaching Assignments

Due to teachers being asked to teach in an area outside of his/her certification area, we are required to report teachers who are teaching out-of-field. Individuals who are teaching out-of-field are certified in at least one area and are qualified to teach but are required to take additional course work or testing to add a coverage/endorsement to their certificate. The state also requires a teacher to take coursework/in-service towards an English to Speakers of Other Languages (ESOL) endorsement, when the teacher is the primary language arts provider and/or reading teacher for an ESOL student.

The following teachers have agreed to teach out-of-field while completing course work/testing:

- N/A

The following teachers have agreed to work towards the ESOL endorsement:

- Clarissa Borruso
- Sue Grossman
- Edward Ortiz
