

### ***\$1,000 Gift – Wall Plaque***

Dear Parents, Grandparents, Friends, and Business Partners,

The past few years have been nothing short of uncertain. Many businesses and families have struggled, especially financially. The dollar just doesn't go as far as it used to.

Regardless of the economy or world events, the education of our children is priceless. Throughout the turmoil, Countryside Montessori Charter School (CMCS) has continued to follow its mission of providing a strong Montessori foundation in a safe, diverse, and collaborative community.

Your support has allowed us to accomplish a continued level of excellence:

- Consistently rated an "A" school
- Top state and district test scores
- High Performing Charter School status by the Florida Department of Education
- Designated as a Florida School of Excellence
- Awarded Best Elementary School and Best Middle School by US News & World Report

In addition to our many school-wide accolades, members of our staff have thrived – from being recognized as Charter School Champions, becoming Montessori certified via school-based scholarships, and awarded an Emerging Leaders Fellowship by the American Montessori Society. This is made possible with the financial support of our extended community.

As we celebrate twenty years of school excellence, Countryside Montessori Charter School is excited to continue to grow our community, extend our reach, and strive for our vision: Igniting a community of lifelong learners by guiding and nurturing each whole child.

The fact of the matter is that public charter schools do not receive the same amount of funding as traditional public schools. We need you!

Please support our school by donating \$1,000 for a wall plaque, "**For the Love of Children and Teachers.**" Your inscription (e.g., child's name, business, etc.) will be printed on a 6" x 12" license plate sized plaque and attached to the wall right in front of our school for all to see.

For every individual \$1,000 donation for a wall plaque, CMCS gives the donor the following (\$350 value):

- Two Butterfly Auction tickets
- One student pass on the Cougar Card program (add an additional \$100 for each additional Cougar Cards pass for each additional child)
- One Chance to Win ticket
- Credit for your required 15 volunteer hours

Business, classroom, or individual plaques can be purchased for \$650, without the perks. Monthly payment options are available. If you have any questions about the Wall Plaque, please contact the front office at 813-996-0991 or [giving@cmcsmontessori.com](mailto:giving@cmcsmontessori.com).

Once again, for the love of children and teachers,

Michael Picone, Principal
