Out-of-Field Teaching Assignments

October 1, 2026

Due to teachers being asked to teach in an area outside of his/her certification area, we are required to report teachers who are teaching out-of-field. Individuals who are teaching out-of-field are certified in at least one area and are qualified to teach but are required to take additional coursework or testing to add coverage/endorsement to their certificate. The state also requires a teacher to take coursework/in-service towards an English to Speakers of Other Languages (ESOL) endorsement, when the teacher is the primary language arts provider and/or reading teacher for an ESOL student.

The following teachers have agreed to teach out-of-field while completing coursework/testing:

- Ivory McGee - Middle Grades Mathematics 5-9
- Ashley VanLoo - Elementary Education K-6

The following teachers have agreed to work towards the ESOL endorsement:

- Eva De Los Rios
- Monica Kelly
- Monique Large
- Kayla Miles
- Vira Ocheret
- Blake Sankey
- Ashley VanLoo
